

PRESS RELEASE

6D Global Technologies, Inc. Expands Into Europe with Opening of Irish Office

August 20, 2015 – 6D Global Technologies, Inc. (NASDAQ: SIXD), a premier digital business solutions company listed on NASDAQ under stock symbol “SIXD,” today (Thursday) announced that the company will open an office in Ireland, marking the **official launch of the company’s European operations.**

To service customers outside the United States, 6D Global has begun expansion of its operations into the European market with the formation of an Irish office, a key milestone for 6D Global who already works with businesses and agencies in different industry sectors around the world. The key functions of the Dublin-based 6D Global will be sales and solution support of the company’s growing European business, in addition to extending support access for all of 6D Global’s clients looking to expand globally. The company plans to create **60 jobs in three years at their Dublin office.**

6D Global was introduced to Ireland through ConnectIreland, the company responsible for delivering the Government's Succeed in Ireland initiative, as part of the Action Plan for Jobs, in association with IDA Ireland. Many of the world’s biggest and most successful companies across a range of industry sectors already have considerable operations in Ireland.

“We are seeing a tremendous demand from our customers to have one digital solution partner that is positioned to support their growth globally,” **said Tejune Kang, CEO for 6D Global Technologies, Inc.** “Our global customer footprint makes it increasingly important for us to offer local representation to our customers around the world. When we assessed where to establish our European base of operations, Ireland was a logical choice given its growing reputation in driving world-class innovation and access to talent. Ireland is a perfect springboard into 6D Global’s growth internationally.”

Welcoming the announcement, Ireland’s **Minister for Jobs, Enterprise and Innovation, Richard Bruton TD** said: “I am delighted that 6D Global has chosen Ireland to establish their European operations. This announcement is another Succeed in Ireland project supported by my Department through IDA Ireland in association with ConnectIreland and demonstrates how reaching out to the Irish diaspora through this Government initiative has brought many new companies to invest in Ireland. Once again our top-class workforce and support for businesses are making Ireland the destination of choice for companies looking to establish a European base. I wish 6D Global every success in the future.”

Joanna Murphy, ConnectIreland CEO, said: “It is great to see another 60 jobs being created through the Succeed in Ireland initiative. 6D Global is a leader in digital solutions and Dublin offers the perfect tech infrastructure to support their expansion. We are delighted to welcome them to Ireland.”
